The Guest of Honour, Capt. MP BHASIN; Chairman-CMMI, captivating the maritime fraternity present!

Under the leadership of Capt. MP BHASIN, as CMMI-Chairman, major steps have been taken; mainly in the field of digitization, CMMI-APP, CMMI Goodwill Ambassadors, E-Library Project and the most prestigious is the collaboration with IIM-Mumbai for "Executive MBA in Maritime Management, Logistic & Supply Chain", which can truly open the proverbial "lock-gates" for seafarers wishing to contribute to the maritime industry 'beyond-the-ship-side'!

Chief Guest, Sri AMITABH KUMAR, enthralling the audience with his succinct speech, crisp knowledge and sparkling wit!

Sri AMITABH KUMAR's towering presence was matched only by his down-to-earth demeanour. His passion was amply evident while sharing with audience the role Maritime Administration of India has played, and continues to play, at IMO. What was also apparent was his experience of being at the helm of affairs as an Administrator whose actions speak louder than his words. The Indian maritime fraternity, through CMMI, extends its deep appreciation and gratitude towards Sri AMITABH KUMAR'S selfless effort and was privileged to have him as the Chief Guest.

The CMMI Delhi Chapter deeply recognises the contributions made by Indian seafarers and therefore it was befitting to recognise a longstanding seafarer for his overall contribution to the maritime fraternity by conferring the *'Lifetime Achievement Award'*. Capt. MS KALRA receiving the Lifetime Achievement Award 2024

Having a long standing maritime career, at sea, as well ashore spanning over four decades, Capt. M.S KALRA has many accolades to his credit and has contributed to the maritime domain over a broad canvas. Having done his schooling from the legendary Mayo College, Capt. KALRA set course for his professional career in 1969 by joining TS DUFFERIN. Subsequently, he joined GESCO where he remained throughout his sailing career. He gained expertise, and experience, on OBO, Chemical & Product tankers, as well as crude oil tankers. Among the many feathers in his cap, he has compiled manuals for procedure of conversions from oil trade to dry cargo (OBO), which has been duly approved by DNV. It is also not a small feat when Capt. KALRA, as a first, set up the Maritime Institute New Delhi, approved by DG Shipping, for post-sea maritime training in a land-locked area of NCR for the benefit of Indian seafarers from North India. He handed over the institute in 1993, which is famous as FOSMA Maritime Training Institute today. We're very proud of you Capt. KALRA.

The afternoon seminar event of CMMI-Delhi culminating in creation of festal atmosphere in the late evening was a first! CMMI-Delhi helped, one and all, to flow into the mood to enjoy a Gala Dinner, where ambience was set by the tunes of NAZM UNPLUGGED – a fusion band with a blend of Sufi, Rock & Indian classical music. Nothing more needed to be said; it was just meant to be enjoyed! There were intense discussions; there was catching-up, gup-shup with the "tadka" of galley news and with high spirits of an evening that turned out to be the zenith of a job well done!

NAZM UNPLUGGED – It had to be felt & enjoyed!

"...And; so was the spirit!"
