CMMI Mentoring Scheme

The **Mentoring Scheme**, launched by the **Company of Master Mariners of India (CMMI)** in **December 2020**, continues to progress steadily and has been widely appreciated within the maritime community. The scheme has seen a commendable response, with a dedicated team of **volunteer mentors** who have consistently demonstrated exceptional commitment and professionalism.

This initiative has proven to be **highly beneficial**, offering substantial support to junior professionals and cadets across both **professional and personal development domains**. Several **mentees have provided heartfelt feedback**, sharing how the guidance they received significantly enhanced their career trajectory, boosted their confidence, and provided clarity during critical decision-making phases. The positive impact of this program is increasingly evident across the industry.

As of now, the mentoring scheme proudly engages **49 experienced mentors** and supports **90 mentees**, with numbers steadily growing. The initiative exemplifies CMMI's ongoing commitment to nurturing future leaders of the maritime sector and fostering a culture of knowledge transfer, support, and community.

MOU Between BES and eSEHAT for DGS Examination Digitization Project.

The BES received a proposal to form a consortium with M/s eSEHAT, following the MoU signed on 19 January 2024.

1. This consortium aims to enable **eSEHAT** to respond to the **upcoming RFP** from **DG Shipping**, which intends to appoint a **System Integrator** for a unified virtual examination platform.
2. DG Shipping's initiative will integrate all **competency exams**, **STCW modular course exams**, and **BES exams** under a single digital platform.
3. **eSEHAT** has been actively working with BES since **September 2023** on the **Digitisation of Examination Process** project. Certificates for the **December 2023 All India Exit Exam** are being generated and uploaded; full deployment is targeted for **June 2024**.
4. This initiative presents a strategic opportunity for **CMMI and IME(I)**—via BES—to take a leading role in shaping the future examination systems for Indian seafarers.
5. BES is well-positioned and authorized (as per its Trust objectives) to act as a **System Integrator**, bringing domain expertise in examination management.
6. Failure to act now could result in a non-maritime entity leading this critical process, potentially compromising maritime-specific standards and oversight.

POLICY RESEARCH CELL WITH IMU-

The collaborative initiative between CMMI and the Indian Maritime University (IMU) under the Policy Research Cell, CPRiMeS, held two productive meetings during 2023–24, with participation from NIAS and RIC. Among several areas of mutual interest, CMMI has been invited to contribute to a new joint endeavour — I-ESKIMO (IMU Enhanced Student Knowledge toward IMO).

This initiative engages Heads of Departments across IMU's various schools and actively involves students in a structured competition, culminating in a final event scheduled for November 2024.

IMU serves as the knowledge partner to the Ministry of Ports, Shipping and Waterways (MoPSW), particularly in alignment with the Maritime India Vision (MIV) 2030. Once the foundational framework for I-ESKIMO is in place, CMMI will also formally join as a knowledge partner in support of this forward-looking academic and policy-driven initiative.

CMMI - IMO DELEGATE - CAPT. PANKAJ SARIN

ISWG - STCW 1 session held from 7th Oct to 11th Oct. 2024.

Brief: HTW Subcommittee Meeting and Court Deliberation Presentation by Capt. Pankaj Sarin

Capt. Pankaj Sarin briefed the Court on the outcomes of the ISWG meeting at IMO, London, particularly the proposal by several countries to reduce the 12-month sea-time requirement for 2nd Mates to 6 months, complemented by 6 months of simulator training.

Key Observations:

- Majority inputs, including those from DG Shipping and Capt. C.L. Dubey, oppose any reduction below 12 months.
- Capt. Philip Mathews supported retaining 12 months but advised a strategic, balanced approach—possibly suggesting limited simulator-based remission (15–30 days) to address unemployment and berth shortages.
- Capt. S.M. Halbe emphasized the need for a formal, professional stance from CMMI, not reliant on individual inputs alone.

Action Taken:

- A committee has been formed to deliberate and finalize CMMI's position, comprising: Capt. C.L. Dubey (Chair), Capt. M.P. Bhasin, Capt. Ajay Gangaadharan, Capt. S.M. Halbe, Capt. Philip Mathews, and Capt. P. Sarin.
- The Court agreed to communicate CMMI's consolidated stance to DG Shipping for upcoming IMO discussions.

Special Business: Launch of the CMMI Nautical Cadets Awareness Scheme

The Secretary General, Capt. V. K. Bhandarkar, presented the proposal to launch the "CMMI Nautical Cadets Awareness Scheme." The initiative aims to bring deck

cadets - both those sailing and those undergoing training in any DGS-approved institute - under the fold of CMMI without conferring them membership or Associate status.

The goal of the scheme is to increase awareness among cadets of the activities and professional contributions of CMMI, allowing them to engage with the organization and understand its role in maritime development. Once these cadets achieve the necessary qualifications, they may become Associates or full Members of CMMI, at which point they can actively contribute to and benefit from CMMI's activities.

Key points highlighted:

- The scheme will not require changes to the Memorandum, Articles of Association, or Rules of the Company.
- The scheme is permitted under Paras 3(15) and 3(16) of the Objects of the Company.
- A nominal one-time administration fee will be charged to cadets who join under this scheme.

Resolution Passed:

RESOLVED THAT the “CMMI Nautical Cadets Awareness Scheme” be launched to induct deck cadets—either sailing or undergoing training in any Directorate General of Shipping (DGS)-approved institute—into CMMI, without conferring membership or Associate status, in accordance with Paras 3(15) and 3(16) of the Objects of the Company.

RESOLVED FURTHER THAT a nominal one-time administration fee of rupees 200 be charged from each cadet enrolled in the scheme.

The resolution was passed unanimously.

There being no other matter, the meeting ended with a vote of thanks to the chair.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent and relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
